**NARRATION:**

On 09-13-2018 at 1907 hours, while conducting follow up at the Northern Cochise Community Hospital (NCCH), on a domestic violence incident involving Joshua Seago and Miranda Mitchell (CCSO DR# 18-32358), I was notified of another domestic violence incident that happened on 08-20-2018 or 08-21-2018 at approximately 1200 hours.

Miranda began by saying she was embarrassed because she has been an IV drug user since she was 11 years old.

Miranda stated she was at her residence, 3492 W Marguerite Road, the night prior to the incident with Joshua when he became mad at her because she was unable to get a needle in her arm to be able to administer methamphetamines into her through intravenous.

Miranda stated Joshua wanted to have sex with her and only wants sex while they are both under the influence of methamphetamines. Miranda said Joshua also became mad because she would not let him help her so she did not get high. Miranda stated she was upset because Joshua could only have sex with her if they were both high and she told him that.

Miranda stated Joshua began calling her names, saying she was a worthless, dick sucking whore, and continued calling her names for hours. Miranda stated she

tried to leave the residence because of the names and when she got to the door, was snatched up by Joshua.

Miranda stated she couldn't remember if Joshua snatched her up by her arms or throat first. Miranda stated Joshua threw her onto the couch and told her he was going to kill her and everyone she loved. Miranda stated she kept trying to get up and leave but would be physically restrained by Joshua. Miranda stated she was scared by his anger and was continuously thrown onto the couch, bed or bathtub when she tried to leave.

Miranda stated she waited until Joshua went to the bedroom to get high again then left the residence and went outside. Miranda stated she was standing outside the door when Joshua picked up her shampoo bottle that was sitting next to the door packed, and threw it at her head, causing her head to bleed everywhere.

Miranda stated she ran back inside the residence to the bathroom to get to the first aid kit to get the bleeding to stop. Miranda stated she had to grab onto the walls because she was so dizzy. Miranda stated she grabbed the gauze and left the bathroom to go back outside while screaming for Joshua to help her.

Miranda stated Joshua went into the hallway in front of the bathroom and slammed both his hands against the wall and began screaming that he was going to be going back to prison. Miranda stated Joshua walked into the living room crying that he was going to prison and she thought she could make it to the door.

Miranda stated as soon as she got to the door, Joshua "got me" and got a bowie knife from above the door and held it against her throat. Miranda stated Joshua was telling her that she wasn't going to leave him and that he was going to kill her and everyone she loved.

Miranda stated she was unconscious for an undetermined amount of time and continued to go in and out of consciousness, urinating and defecating in bed. Miranda stated her phone had fallen into the dog's water dish when she was hit by the shampoo bottle so she did not have a phone.

Miranda stated Joshua had asked her to go to work with him and she refused, saying she needed sleep. When Joshua returned, Miranda stated she was becoming afraid of how much she had been sleeping and left with Joshua. Miranda stated when she returned, Joshua became angry and accused her of sitting in a way to make people want her. Miranda stated she pretended to be asleep and that helped the situation a bit.

Miranda stated she was able to get free by retrieving her phone which had been placed into a bag of rice to dry, hiding it under the covers and texting her son's grandfather to come and get her. Miranda did make several attempts to leave but was unable to walk and had to crawl in order to retrieve her phone after it was dry.

On 09-15-2018 at approximately 2030 hours, I contacted Steven Richter, Miranda's son's grandfather. I asked Steven if he could assist me with narrowing down the dates in August when Miranda had contacted him. Steven was able to remember it was Sunday, 08-19-2018 because a football game was on. Steven said he drove to Miranda's residence because she called him crying, saying he needed to come pick her up. Steven said he arrived and saw Miranda and her forehead was bleeding and all cut up. Steven said Miranda told him she had fallen and that is how she received the cut. Steven said Miranda appeared scared but refused to leave with him at that time.

Steven said on 08-21-2018, he received a text message from Miranda saying to come get her now. Steven said when he arrived at her residence, she was standing on the road outside with her suitcase. I asked Steven if Miranda told him anything that had happened. Steven said no.

I was emailed three photographs from Miranda showing a cut to her forehead. I printed the photographs out due to technical issues with attaching the photographs to the report. The photographs were placed into evidence.

The two photograph's of Miranda where she is lying on a bed she stated were taken on 08-21-2018, the third photograph where Miranda is wearing a pink spaghetti strap shirt, she stated the photograph was taken on 08-25-2018 when she was on the bus leaving for Colorado.

There is no further information at this time. Any additional information will be completed on a supplemental report.

Joshua was charged for the violations attached to this report. This report is considered cleared with an adult arrest.
